Unit 14 · Our Likes and Dislikes

HARDER PRACTICE QUESTIONS

Full marks 25

Write your answers on separate paper.

1 How much do they like it? [5]

a. Match each thing people say with a word on the scale: *love, like, don't mind, don't like, hate*. Use each word once.

1. "I'm not crazy about it."
2. "I can't stand it!"
3. "I'm crazy about it!"
4. "It's okay, I suppose."
5. "It's fun."

b. Read Preeti's opinion in "Shopping" on pages 161 and 162 of your textbook again. She says she isn't crazy about shopping. Does that mean she hates it? Give **two** things from her text that show she doesn't hate it.

2 Two jobs for -ing [6]

a. In each pair, which sentence tells what the person is doing **at this moment**? What does the other one tell us?

i. *Sapana likes cooking.* / *Sapana is cooking.*

ii. *My uncles are playing cards.* / *My uncles enjoy playing cards.*

b. Dipesh wrote these three sentences. Correct each one.

1. *Look! My grandfather is liking his new radio.*
2. *I am enjoy reading comics.*
3. *My sister enjoys to swim in the river.*

c. *Swim* becomes *swimming*, with a double **m**. Dipesh used the same rule and wrote *visitting* and *listenning*. Write them correctly, and say why the rule didn't work. (Hint: count the beats in *swim* and in *visit*.)

3 Planning a Saturday [6]

Four friends say how they feel about four things to do. (The friends are made up.)

	going to the river	playing carrom	watching a film	climbing the hill
Sheetal	love	don't mind	like	hate
Apsan	don't like	love	like	like
Kajal	like	don't mind	love	don't like
Karma	love	hate	don't mind	like

a. Write **two** true sentences from the table with *prefer … to*, each about a different friend.

b. They can do only one thing together on Saturday. Which one should they choose so that nobody has to do something they don't like or hate? Explain from the table.

c. Apsan says, "Let's climb the hill. More of us like or love it than the film." Is he right? Count, and show how you know.

d. Kajal wrote, "I prefer watching a film than climbing the hill." Write it correctly.

4 Not what the words say [5]

Read Manisha's and Preeti's opinions on pages 161 and 162 of your textbook, and the song on page 160.

a. Manisha calls the shopping trip a nightmare. Write one sentence of your own about a different bad day, using *nightmare* with the same meaning as hers.
b. She says the new bicycle "put a smile on my face". What does she mean?
c. Preeti writes about the price of a dress, "can you believe it?" Does she want an answer? What is she really saying?
d. The song is a joke: the singer says the opposite of what most children feel. Write two lines of your own in the same joke, about something else most children don't enjoy. The second line must show that you don't mean it.

5 Something bright in every season [3]

Read "Autumn Fires" on page 167 of your textbook again. Write two lines of your own about **another** season in Nepal, in the poem's idea: say what is bright in it. Make the two lines rhyme. Then say in one sentence how your lines follow the poem's idea.
